1. Pray before you study and then answer these questions about what you study.
2. Who said it and to whom did they say it?
3. When did they say it and where were they when they said it?
4. What did they say?
5. What was said before and after?
6. How does it compare to what Jesus has said and done?
7. How does it compare to what others have said, other bible translations, other commentaries?
8. Ask the Holy Spirit to reveal to you what it means.
